Featured Employer: Epic

Healthcare is one of the biggest challenges of our time. Epic rises to this challenge by creating award-winning software that helps healthcare organizations provide better care, reduce costs, and improve healthcare. We continue to be at the forefront of real-time, patient record interoperability and are leading the revolution in giving patients access to their own electronic medical records. We're searching for smart, passionate people who want to achieve great things. You will work hard, collaborate with the brightest minds, and do things that make a difference. Located in Madison, WI, Epic is a privately-held software company with over 30 years of success. We offer both technical and non-technical positions; many of which are open to all majors and all degree levels.
