

Hot Jobs, Cool Internships Newsletter

Natural Sciences

February 6 – 13

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

MARK YOUR CALENDAR

The 23rd BEYA Science, Technology, Engineering and Mathematics Global Competitiveness Conference Career Fair

Saturday, February 21, 2009

10am-4pm

Baltimore Convention Center

401 W Pratt Street

Baltimore, MD 21201

The Black Engineer of the Year Award (BEYA) Science, Technology, Engineering and Mathematics Global Competitiveness Conference Career Fair is hosted by the Council of the Engineering Deans of Historically Black Colleges and Universities, Lockheed Martin Corporation and *US Black Engineer & Information Technology* magazine and seeks to connect attendees with outstanding career opportunities. Free and open to the public, the career fair draws recruiters from Lockheed Martin Corporation, Boeing, Chrysler LLC, IBM, Northrop Grumman, General Dynamics, Raytheon and more. Attendees will have the chance to meet face-to-face with these Fortune 500 companies and government employers to find the best careers, internships and networking opportunities.
