

# **Hot Jobs, Cool Internships Newsletter**

## **Natural Sciences**

### **February 13 – 19, 2009**

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.
