

HOT JOBS, COOL INTERNSHIPS NEWSLETTER

Engineering

April 10 - April 17

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

HIGHLIGHTS:

The Baltimore Chapter of the American Marketing Association's 17th Annual Student Job Search Workshop

Sunday, April 26, 1 p.m. - 5 p.m.

Loyola College Graduate Center in Columbia, MD

Freshmen through seniors interested in careers in marketing/P.R./Communications/Advertising & Sports Marketing should attend this annual networking event sponsored by the Baltimore Chapter of the American Marketing Association. This is NOT a job fair; it is an opportunity to meet and learn from 20 marketing executives from major Baltimore firms—executives that you would normally not have access to—in a personal setting, through panel and small group discussions.

To Apply: Contact Leslie Kendrick at Kendrick@jhu.edu for the application form. Deadline: April 22, 2009
