**Event:** Thanksgiving is an important Holiday in the United States. Families and friends get together to enjoy a wonderful time having a Thanksgiving meal while reflecting on the traditional history of this event and being thankful for what they have. There are several American families that would like to host international students on Thanksgiving day. If you are interested, please contact Yuri by Tuesday. Transportation will be provided from the MSE library, and for this event, space is limited to the first 20 that confirm.
