**Area of Emphasis:** Students must take three courses outside the program in a separate area (i.e., courses that are not cross-listed with Film and Media Studies), ideally in an area that can be brought to bear on the study of film or media in significant ways. Such clusters could be imagined, for instance, as focusing on other media and art forms (e.g. photography, writing, the visual arts, literature, theater, etc.); cross-disciplinary topics or sets of problems (e.g. the urban environment, violence, and pornography, censorship, copyright and industry regulation, concepts of the public sphere, or globalization); or subfields within area studies (e.g., Women and Gender Studies, African American Studies, Jewish Studies, etc.) and traditional disciplines (e.g. history, anthropology, philosophy, etc.). Students develop this emphasis in consultation w/ the Director of Undergraduate Studies.

**Foreign Language Courses:** Completion of two semesters of a foreign language at the elements level or one semester at the intermediate level. Any language requirement waived by exam must be documented on transcript or in our office before checklist will be accepted.

**Other Departmental Requirements:**

A grade of "C-" or better must be earned in required courses, which may not be taken S/U.

**Please initial here to indicate you have read and understand these requirements:** \_\_\_\_\_
