**Honors in Your Major**

To graduate with honors in your major, you must complete an HONORS CLEARANCE CHECKLIST by April 1<sup>st</sup> in the year you expect to graduate in May. Most commonly, this means by April 1<sup>st</sup> of your senior year. Failure to submit this checklist by this date will mean that you will not receive honors in your major. You cannot complete the checklist before February 1<sup>st</sup> of the same year. Please note that these requirements are not related to "General University Honors." General University Honors are automatically assigned to all students who graduate with a 3.5 or higher.

To receive Honors in History of Science, Medicine and Technology, you must have met the following criteria:

- Have a GPA in your major requirements of a 3.5 or higher.
- Complete Senior Thesis

To notify us that you are eligible for honors, you must:

1. Obtain an honors checklist by either downloading it from [www.advising.jhu.edu](http://www.advising.jhu.edu) or by picking one up in the Office of Academic Advising.
2. Complete the checklist after February 1<sup>st</sup> of your senior year and take it to: Dr. Stuart Leslie.
3. Return the signed checklist to the Office of Academic Advising by April 1<sup>st</sup>. You do not need to make an appointment to return the checklist, but it must be signed by the correct representative from your department or it will not be processed.
