Other Departmental Requirements:

Required major courses may **not** be taken on a pass/fail basis and grades of C- or higher are required for courses in the major. Intercession and School of Professional Studies and Education courses do **not** count toward the departmental major. A degree with honors requires: 3.5 GPA in psychology courses, two additional upper-division psychology courses, and an approved Honors Thesis. The application for honors is due by March 31 of your junior year.

Please initial here to indicate you have read and understand these requirements: _____

Honors in Your Major

To graduate with honors in your major, you must complete an HONORS CLEARANCE CHECKLIST by April 1st in the year you expect to graduate in May. Most commonly, this means by April 1st of your senior year. Failure to submit this checklist by this date will mean that you will not receive honors in your major. You cannot complete the checklist before February 1st of the same year. Please note that these requirements are not related to "General University Honors." General University Honors are automatically assigned to all students who graduate with a 3.5 or higher.

To receive Honors in Psychology, you must have met the following criteria:

- Have a GPA in your major requirements of a 3.5 or higher.
- Complete independent research project and written thesis
- Complete two 300- or 600-level Psychology courses in addition to those required for the regular B.A. degree.

To notify us that you are eligible for honors, you must:

1. Obtain an honors checklist by either downloading it from www.advising.jhu.edu or by picking one up in the Office of Academic Advising.
2. Complete the checklist after February 1st of your senior year and take it to: Dr. Amy Shelton.
3. Return the signed checklist to the Office of Academic Advising by April 1st. You do not need to make an appointment to return the checklist, but it must be signed by the correct representative from your department or it will not be processed.

Distribution Requirements for Majors: These cannot include courses taught in the Psychology Department.
