Honors in Your Major

This major does not have an honors distinction. General University Honors are automatically assigned to all students who graduate with a 3.5 or higher.

Distribution Requirements for Majors: These cannot include major requirements or courses.

| Course No. and Title | Credits | Completed | In Progress | To be Done |
|----------------------|---------|-----------|-------------|------------|
|----------------------|---------|-----------|-------------|------------|

Students must earn at least 30 credits in courses coded for areas outside that area in which his/her own department is included. For example, if Latin American Studies is counted as (H), the student must take at least 30 credits coded (S), (Q), (N), (E). 12 of these credits must be coded (N), (Q), and/or (E).

In deciding whether Latin American Studies courses will be counted as either (H) or (S) credits, we allow the designation that is most advantageous to the student. For instance, if the student has a large amount of social science credits owing to elective course work in economics and political science, then we would consider Latin American Studies an (H) discipline and allow the (S) credits from economics and political science to work toward meeting the University's distribution requirement.
