Shipping Materials Before the Career Fair

We urge you to ship your career fair materials to us in advance of the fair in order to avoid transporting them from the parking garage to the fair site. A shuttle ride will be required to get to the fair. (See "Parking" below.) If you do not ship your packages ahead of time, your packages will have to be put in the loading area under the bus in order to carry them to the fair. (For this reason, if you choose not to ship your packages ahead of time, please make sure your packages are securely contained and carefully sealed when you arrive for the fair.)

We will begin accepting packages for this event on Wednesday, September 23, 2009. Materials must be received no later than 12:00 noon on Wednesday, September 30, 2009.

Ship materials to:

JHU Career Center

Attn: Career Fair

Garland Hall, 3rd Floor

3400 N. Charles Street

Baltimore, Maryland 21218

- Please do not ship to the Rec Center. We cannot guarantee delivery of items that are not shipped to the Career Center.
- Please label all boxes with your organization name and the total number of boxes.

Shipping Materials After the Career Fair

Participants are responsible for ensuring shipping and/or pick-up of their materials after the Career Fair. The Career Center will collect packages at the end of the fair and will arrange FedEx pick-ups. Please provide addressed

shipping labels that include your account information. Please remove all other materials from the Rec Center when you depart.

Participant Numbers:

If you have not already done so, please let us know if your organization will be bringing more than two representatives. This is our largest fair to date, so it is essential that we know exactly how many people will be participating in the fair in order to provide adequate accommodations. You may register extra representatives for a \$25 fee for each additional representative.

Outlets

Please note that electrical outlets (for plugging laptops other equipment at your table) are limited at the fair and must be requested ahead of time. If you did not request an outlet in your registration form, you will not have an outlet. If you are uncertain as to whether you requested an outlet, please contact us. NOTE: There is no internet access at the Rec Center.

Refreshments

Two lunches for each organization are included in the registration fee. Snacks and refreshments also will be provided throughout the day.

Career Fair Registration Cancellation Policy

Registrations cancelled on or before Thursday, September 17 will be fully refunded. Cancellations received after that date, including unpaid registrations and no-shows, will be responsible for all registration fees and will be invoiced.

Parking

Participants will park in the South Garage, an underground parking lot located beneath the Decker Quad. After parking, proceed to the **Mason Hall elevator to reach the Quad level**. From there, you will be able to catch a shuttle bus to the Rec Center.

Parking is included in your registration fee, so you will not need to pay for parking. However, you will need to take a parking ticket when you enter the garage. You will be given a new ticket when you check-in at the fair; use this new ticket when you leave the garage in order to exit for free.
