

## Hot Jobs, Cool Internships Newsletter

### Humanities and Social Sciences

March 27 – April 3

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

#### **HIGHLIGHT: Federal Service Student Ambassadors Program**

Great PAID opportunity for students interning with federal agencies!

##### **The program:**

The Federal Service Student Ambassadors program produces a corps of college students ready to actively promote public service following their completion of a federal internship in Washington, D.C.

##### **Who is eligible?**

Any student interning with a federal agency in Washington, D.C. this summer (2009) who will be returning to their campus for the 2009-2010 school year is eligible to apply.

##### **Bonus for students:**

This is a paid, year-long position, with a stipend of \$2,200 and an added \$300 stipend for expenses and materials.

We will train the student to do campus outreach promoting federal service. The student will be expected to work with their Career Services office to help with events, build federal agency relationships and generally coordinate cross-campus efforts to educate their fellow students about career options in government.

Students can apply for the Federal Service Student Ambassadors program at <http://www.makingthedifference.org/ambassadors>. For more information, please contact [ambassadors@ourpublicservice.org](mailto:ambassadors@ourpublicservice.org).
