

# HOT JOBS, COOL INTERNSHIPS NEWSLETTER

## Natural Sciences

February 27 – March 6

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

**MARK YOUR CALENDAR**

**Non-Profit, Government and Policy Career Fair, March 3  
11:30 am- 2:30pm, The Glass Pavilion**

Think you're interested in pursuing a career/ internship in Non-Profits, the Government or Public policy? Even if you're not sure, come to the Career Fair. There will be a variety of employers looking for students with Arts and Sciences majors. Here are a few employers who might peak your interest; even if an employer hasn't listed your major, keep your options open. It doesn't hurt to look: Bon Secours Volunteer Ministry, Central Intelligence Agency, Centronia, International Social Service, Math for America DC, Maryland Department of the Environment, Sports4Kids, Teach for America and more.

Interested specifically in government jobs? At the Career Fair, the Office of Personnel Management will be hosting a workshop entitled "How to Apply for Jobs in the Federal Government" from 10:30- 11:30 am the day of the fair in the Great Hall of Levering.

Check out the full list of employers, please visit <https://jhu-csm.symplicity.com/events/>.

**GREEN CAREERS PANEL**

On Thursday, March 5 from 6-8pm in the Computational Sciences and Engineering building, the Career Center and the Society of Engineering Alumni will host its first-ever Green Careers Panel and networking event. If you are interested in working to effect change in the environment, then this event is for you! Come hear about a variety of "green careers" and learn how you can make a difference. Panelists include alumni, faculty, and industry representatives in the fields of engineering, public health, policy, and environmental communications. Students from all disciplines- Arts, Sciences, and Engineering- are encouraged to attend.
