

HOT JOBS, COOL INTERNSHIPS NEWSLETTER

Natural Sciences

March 7 – 13

To make sure that you're in the know about the job and internship opportunities that might interest you the most, the Career Center is re-designing its newsletter format. Instead of one master newsletter, we'll be sending out targeted newsletters based on three focus areas: Social Sciences and Humanities, Natural Sciences, and Engineering. You will be e-mailed the newsletter that's the best fit based on your major. We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

MARK YOUR CALENDAR

Because Johns Hopkins University students are highly sought after by employers, your opinions are extremely important and valuable sources of information.

Voice your opinions at: <http://www.universumsurvey.com/us>

Also, all respondents are also entered into the Universum 2009 Sweepstakes to win one \$10,000 Scholarship, two \$1,000 Universum Scholarship, Golla laptop bags and accessories, and one year Netflix gift certificates.
