

Hot Jobs, Cool Internships Newsletter
Engineering
October 12 – October 16

You will be receiving this newsletter every Friday! We'll also be posting all three newsletters on our website at <http://www.jhu.edu/careers/students>.

Featured Employer: ExxonMobil Corporation

ExxonMobil Corporation, a global Fortune 500, energy company, has a number of **full-time opportunities** for U.S. Citizens and Permanent Residents with BS, MS, and Ph.D. degrees in engineering. We are especially interested in ambitious, career oriented, chemical or mechanical engineering students who will be graduating in 2010.

Earning a BS, MS, or Ph.D. in Chemical or Mechanical Engineering can lead to a rewarding career with a premier energy company in areas including:

- Upstream Development
- Upstream Production
- Upstream Research
- Downstream Refining and Supply
- Downstream Research & Engineering
- Fuels Marketing
- Lubricants & Specialties
- Chemicals
- Global Services

Applicants should have at least an overall 3.2 GPA.

You'll work to improve efficiencies and analyze opportunities to improve global petroleum, natural gas, and petrochemicals operations. You'll assist in developing new technology, consulting, and process basis setting for major capital projects. And you'll help identify opportunities to improve the sustainability of our operations and our products. The majority of the opportunities are in the United States, with a high concentration of the openings in Northern Virginia, New Jersey, and Texas. ExxonMobil also has manufacturing facilities in Illinois, Louisiana, California, Montana, and Texas.

Exxon is also seeking has a number of opportunities for **summer interns** in its domestic operations. The program is open for students who have completed at least their second year of college studies in a science, mathematics or engineering discipline. The programs have a flexible calendar start and end date to accommodate academic schedules. ExxonMobil expects that students will be willing to work for at least 8 continuous weeks in the summer of 2010.

If you are interested in career opportunities with Exxon Mobil, **please register at ExxonMobil.com – Careers and with the JHU Career Center. In J-Connect, search for Job ID 13023 for BS positions, Job ID 13021 for MS/PhD positions and Job ID 13022 for internships).** ExxonMobil recruiters will be on the Johns Hopkins campus on **October 28th for an information session and Oct 29th for pre-selected candidate interviews. THE DEADLINE FOR INTERVIEW CONSIDERATION IS MONDAY, OCTOBER 19.**
