

About the Survey

The Class of 2008 Post-Graduate Survey of undergraduates in the Krieger School of Arts & Sciences and the Whiting School of Engineering, conducted by the Johns Hopkins University Career Center, was completed in January 2009. Graduates were contacted via email, beginning in June 2008, to complete an online survey. Throughout the summer, the Career Center repeatedly invited recent graduates to take the online survey. An additional attempt to collect data was made in collaboration with the Office of Annual Giving. The Phonathon contacted 2008 graduates via phone to collect information from those who had not yet taken the survey online. Altogether, 580 members of the undergraduate Class of 2008 (55% of the class) provided information.

If you would like more information or the complete survey report, please contact the Career Center at 410-516-8056 or career@jhu.edu.
