For 2011, the Summer Meal Plan program will be available starting with lunch on Saturday, June 4, 2011 through breakfast on Saturday, August 6, 2011. The Summer Meal Plan program may only be used only on the Homewood Campus at the following facilities: Fresh Food Cafè, Levering Food Court, Nolan's and Pura Vida.

# How to Apply

Applications will be processed in the order in which they are received, however, please note that in the event that space becomes limited, priority will be given to full-time JHU undergraduate students and to those students who will need summer housing on a long-term basis. Students will be charged a minimum of one week. A non-refundable deposit of \$200 is required with each application, made payable to Johns Hopkins University by check or money order only. This deposit will be applied towards your final housing/dining total. Should you cancel your summer housing application, the deposit will not be refunded.

An assignment will not be completed until both the application and deposit are received. Students can enroll at any time prior to July 15, 2011, however we require a minimum of 3 business days notice to complete an assignment. Once an assignment is complete, you will receive a housing contract and notice of your remaining balance for the summer. The remaining balance is to be paid at time of enrollment. The balance may be paid with a check or money order only.

Complete our application at [www.jhu.edu/hds](http://www.jhu.edu/hds) and carefully read the deposit policy. Indicate your exact arrival and departure dates, as well as the type of unit you desire. Please pay close attention when completing this section of the application, specifically your arrival and departure dates. Any changes to arrival dates may not be accommodated due to lack of availability and will result in a \$30 administrative fee if able to be honored. Should you be interested in purchasing a summer meal plan, be sure to indicate that as well. We will do our best to meet your individual needs.

**IMPORTANT: Visiting students are required to show documentation of affiliation with the Johns Hopkins University or Hospital in order to reside in summer housing. If you complete the online application, remember to fax or mail your letter of affiliation.**

**Once an assignment is complete, a contract will be sent to you, and you will be given a deadline to return it. Payment in full is due at the time your contract is returned. Rent must be paid by check or money order only, payable to Johns Hopkins University. Cash and credit cards cannot be accepted.**

## Meal Plan FAQ's cont.

Students should keep in mind that if any dining venue is closed, meals will be served in the other facilities. Summer dining schedules will be available at the time of move-in.

### Which plan should I choose?

There are three plans being offered: 800 Dining Dollars, 400 Dining Dollars, and 200 Dining Dollars. You should choose based on the number of meals you think you will eat and how long you will stay during the summer terms. For example: if you are planning to be here for only a month and tend not to eat breakfast, the 200 or 400 Dining Dollar plan may be the best option for you. Students should keep in mind that you can always sign up for additional dining dollars but there is no refund on any unused dollars, nor do unused dining dollars carry over into the academic year, so be sure to put some planning into your selection.

### How and when will I receive my meal card?

The summer meal plan card is your declining balance meal card. All meal plan subscribers are required to swipe their meal card as they enter the resident dining halls or make a purchase. Students who are full time registered Hopkins students who have J-Cash accounts can continue to use their J-Cash throughout the summer months to supplement the summer meal plans. All summer housing residents, including full-time JHU students, will be issued a temporary meal plan card that must be returned to the Wolman Housing Office along with their keys and access card at the end of the lease period.
