

Program Manager, UCSF Office of Career & Professional Development, Mount Zion CA

Program Manager, Professional Skills Development in the UCSF Office of Career & Professional Development. This is a part-time position (50% time, plus benefits). I am seeking candidates with a strong interest and experience in teaching and program coordination/development.

Requirements:

Optimal candidates would also have experience in research (preferably a PhD degree in the sciences), and experience teaching in areas of professional skills development (see the job description at the link below for examples). Strong writing/communication skills are required. My goal is to begin interviews in early July.
